Dear Authors,

Letter of Acceptance

We are pleased to inform you that your abstract titled, **"Performance Evaluation of Corn Roasted using Biohnia rufuscense and Sugarcane Bagasse Briquettes as an Alternative to Charcoal.**", has been accepted for presentation at the MLA Conference, which will take place from Monday, November 3rd to Thursday, November 6th, 2025, at North West University, Kano State, Nigeria.

We commend the quality of your work and look forward to your participation in this important academic event. Kindly note that your presentation will be for 10 mins and maximum of 10 slides.

Congratulations once again, and we look forward to your presentation.

Sincerely,

Prof. M.O. Durowoju.

Head, Conference Technical Committee,

MLA Conference 2025.
